ROTARY MEMORIES:

****10 Years Ago This Week.....***

Bell Ringers –

Congratulations to Dick Kalscheur and Paper City Savings on their 75th Anniversary.

Congratulations to Jim Boyd and Vulcan Chemicals Company on achieving 30 years without a lost time injury.

Congratulations to Paul Grinder who was recently designated a Paul Harris Fellow.

****25 Years Ago This Week.....***

Today’s Program – Tom Rause introduced Patricia Knapp of Vesper, Wisconsin. Patricia is a member of the Board of Directors of the new “Ronald McDonald House” located at Marshfield, Wisconsin. The Ronald McDonald House is a boarding house concept for families of children who require extended hospital care. It is a temporary home away from home. The Marshfield group is leasing (rent free) the large brick home located across the street from the former main entrance to St. Joseph’s Hospital. The hospital will continue to own the property, but the new Ronald McDonald House organization will be responsible for all remodeling, maintenance and upkeep. A film strip was shown on a Boston Ronald McDonald House. This appears to be a worthy cause deserving of our support.

BEER AT ROTARY MEETINGS

This is the title in the R.I. news letter and as there was some discussion on this subject some time ago when a free bottle of beer stood at each plate I thought it timely. At a recent R.I. convention, it was the opinion that it is advisable not to have alcoholic drinks at luncheons or dinners unless it was the custom of the country. Rotary has no official policy on this question and it is left to each club to determine how they wish to treat this question.

PROPOSED MEMBER

George W. Mead has been proposed by Ralph Cole for reinstatement. The waiting period commences with this issue.

THE FOUR-WAY TEST
of the things we think, say or do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER** Friendships?
4. Will it be **BENEFICIAL** to all concerned?
