Things such as professional organizations, educational and personal background would be beneficial. Help us fill our library for Honduras school children

In 2007, Shoulder to Shoulder opened the first library in Santa Lucia. Local schools have such a limited supply of books that children are not allowed to touch them, so the library is the only place in the community where children can actually pick up a book to read—and even check books out to take home. Since its inception, the library has been a tremendous success. Weekly activities include story hour, geography club, life skills class, and exercise classes. During the summer, a reading club and a craft class are also offered. Children come daily to the library to read, do crafts, color, play “Memory,” and put together puzzles. Students use the library to research different projects and check email. Adults come for exercise classes and to use the computers and internet. In order to make space in the clinic for a maternity wing, Shoulder to Shoulder is building a new library, and we need your help to do this. We need more books in Spanish. The library currently has 200+ books with a wish list for books posted on Amazon. Click on the link at the end for the wish list. For more information about the library or how to donate books or supplies, please email Mo Jennings at mjennings@shouldertoshoulder.org. <http://www.amazon.com/gp/registry/registry.html?ie=UTF8&type=wishlist&id=2RIEMTUM39ERX>.

Avenues of Service:

International- The electronic link noted in the above Shoulder to Shoulder information was explained by Fred Stich as a way to donate books to the library in Santa Lucia via Amazon.com. A host family for the female exchange student from Brazil is still needed in Nekoosa. Our own Rotary exchange students Rachel Auman just returned from Italy and Braden Bouchard will be going to remote Australia soon. The Polio Run is looking for sponsors- please see Kim Auman for more information.

Club- Sunrise picnic will be held August 19 at the county park at Lake Nepco. The meal will include 3 kabobs per person, \$15 dollars a head, bring your own beverage.

Vocational- Suggested 4 way test be in front of club, maybe in script or on a banner. Nomination forms for Citizen of the Year Award will be out in two weeks, due on Labor Day.

Community Service- Pitcher next week for cash for Humane Society. The month of July snacks will be collected for the Boys' and Girls' Club. September 9 will be next Neighborhood Table.
