Biographies: Ida Lee Siewert, Chair of the Membership Committee, has requested Rotarians, especially new members, submit a brief autobiography with such information as your sponsor, classification, place of employment, and position in one's profession. Things such as professional organizations, educational and personal background would be beneficial. Information about your family, spouse, children, and community and volunteer activities would also be helpful. Feel free to include a recent photograph. Ida Lee would like these sent to Barry Jens and they will be included in the Script when pace is available. If you have any questions please contact Ida Lee at 423-9251.

Help us fill our library for Honduras school children

In 2007, Shoulder to Shoulder opened the first library in Santa Lucia. Local schools have such a limited supply of books that children are not allowed to touch them, so the library is the only place in the community where children can actually pick up a book to read—and even check books out to take home. Since its inception, the library has been a tremendous success. Weekly activities include story hour, geography club, life skills class, and exercise classes. During the summer, a reading club and a craft class are also offered. Children come daily to the library to read, do crafts, color, play “Memory,” and put together puzzles. Students use the library to research different projects and check email. Adults come for exercise classes and to use the computers and internet. In order to make space in the clinic for a maternity wing, Shoulder to Shoulder is building a new library, and we need your help to do this. We need more books in Spanish. The library currently has 200+ books with a wish list for books posted on Amazon. Click on the link at the end for the wish list. For more information about the library or how to donate books or supplies, please email Mo Jennings at mjennings@shouldertoshoulder.org. <http://www.amazon.com/gp/registry/registry.html?ie=UTF8&type=wishlist&id=2RIEMTUM39ERX>.

July 1 Presentation – 6th Annual Port Edwards Fun Fest

Paige Clark, Bill Beaton, and his wife Julie gave an overview of the Port Edwards Fun Fest. Paige Clark explained it will be held August 13-15 at Edward Alexander Park by the YMCA and is organized by 4 local churches as well as local banks, YMCA, fire department and other local businesses. Friday night's activities include a cruise through Edgewater Haven, then to Lake Wazeecha, and then to the United Methodist Church in Port Edwards for an ice cream social. Saturday's activities include food, games, craft show, car show, tractor show, and use of the pool. Sunday there will be worship and gospel music with the four churches working together to create a service open to anyone.

Julie Beaton is the craft show coordinator. She explained there will be 50 vendors on Saturday from 9-5. This is a juried show so the vendors had to apply to be able to participate and their goods must be hand made. For the first time there will vegetables and a cranberry producer.

Bill Beaton explained that this is a family-oriented event and one of its goals is to promote the community and local businesses. It is also a fund raiser with all proceeds going to the Family Center.
